

Samkile Zubenathi

Bizana, Ekonwabeneni store

P.O. BOX 4800

Professional Profile

Detail oriented Software Developer with a Bachelor's Degree in Information and Communication Technology (ICT) from Durban University of Technology (DUT). Skilled in backend development, API design, and AI-driven systems, with a strong focus on mobile-first and cloud-based applications.

I take great pride in making significant contributions within team settings and consistently strive to maintain the utmost standards of performance and integrity. I am enthusiastic about gaining valuable experience in the industry, where I can effectively apply my skills, pursue ongoing learning, and advance both personally and professionally.
